Email from customer Chris below.

Chris has a unique perspective because he has used Flexi, then SignCut and then DragonCut.

Thank you!!!!!!! Thank You!!!!!!! Thank You!!!

For the first time in 2 years I can cut contours.. LoL.. Just for your info... This Dragon Cut it 10000 times better that Sign Cut hands down!! And after I get use to it, I think I will use it for everything else instead of Flexi.. That's is saying a lot from a life time Flexi user.. I just wanted to tell you and Brian thanks for all of the help and for not giving up on me..LoL..
